TEDS Behaviour Study

Part Two

Please answer all questions as best you can even if you are unsure what to put or the question seems repetitive. Some of these questions you will have seen before – this is because we are interested in looking at how people's behaviours change or stay the same over time.

Please indicate your answers with a cross

If you make a mistake, shade out and cross the appropriate box, e.g. →

Please remember to complete this questionnaire using BLACK ink only.

Thank you for taking part in this study. Your contribution is very important to us.

Confidentiality

We understand that your thoughts and feelings are private. Please be assured that all responses will remain confidential, and will only be read by the researcher. All responses will be kept in accordance with the Data Protection Act 1998.

THANK YOU VERY MUCH FOR YOUR HELP WITH OUR RESEARCH!
